25X1 4. [ ] Met with William Darden who advised that he had informed Senator Russell that the information desired on our retirement bill had been furnished. Darden stated that Senator Russell gave no indication when we might expect action on this. Darden then queried if we could give him some backup figures on the cost estimates furnished and secondly inquired if he could be put in touch with the cleared people with whom we had discussed the costing in the Civil Service Commission. I advised that I would be in touch on both of these.
